

CREV(CRowd
EVent)

The Goal

its used to manage crowd funding
and implement it in event
management

Three white arrows pointing downwards from the word 'management'.

what is crowd funding

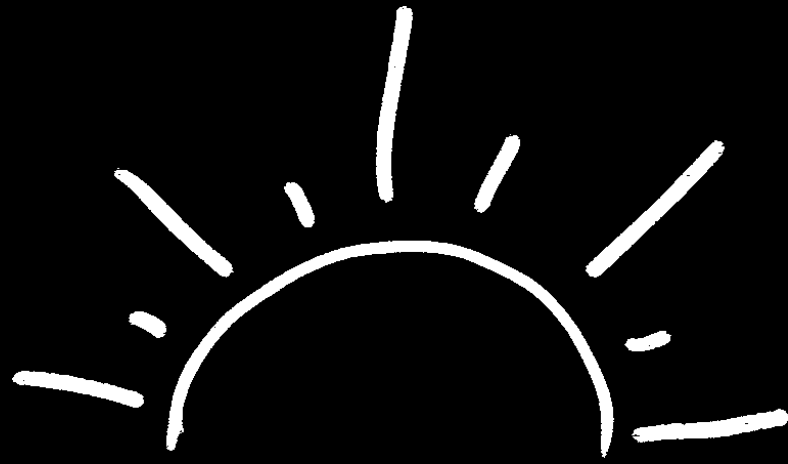

CrowdFunding is the practice of funding a project or venture by raising monetary contributions from a large number of people, typically via the Internet

Whats event management

Event management is the application of project management to the creation and development of small and/or large-scale personal or corporate events such as festivals, conferences, ceremonies, weddings, formal parties, concerts, or conventions.

Crev

it uses one manager voted by
contributors. and the manager himself
creates the event and hosts it .

its basically a combination of crowd
funding and event management.

why use Crev

prevents midway corruption in the
management thus providing clear
transperancy.

Thanks for your time!
